~~Seen and returned~~

~~The view expressed in para.3 of ...H.D. note dated [illegible] in the draft~~

While proposing the additions in Rules 36 and 40 the Health and Local Government Department do not propose to specifically delete the proviso which was added to rules 36, 39 & 40 by G.N. No. 3099 dated 19-11-1945 presumably in view of Deputy Secretary's note dated 8.8.49 at p.33 ante. It is true that the provisos in question were intended to be in operation for a limited period and are of no use now, but nevertheless it is necessary to repeal them specifically by an amendment of the rules. A revised draft notification carrying out amendments in this behalf and the other amendments suggested by the Health and Local Government Department is sent herewith.
